Please see the following email and letter of resignation from Ashtin Edwards, 6th grade volleyball. I did attempt to retain her via phone, discussing our options of flexibility. She informed me that this would have likely been her last year anyways as she plans to pursue a master's degree in the near future.

Let me know if you have any questions, thanks.

Good Morning,

I wanted to reach out to you early and let you know that with the change and the unknowns of when High School Volleyball will be played for this year, I think it is going to be best that I resign from coaching 6th grade volleyball.

I wanted to reach out to you earlier rather than later about this so that way you were not in a bind too close to the season to find someone. Thank you for allowing me the opportunity to coach the 6th grade team last season.

Thanks,  
Ashtin Edwards
